When The Two Of Us Are One

Let's share our life
With the one whom we love
Encourage and help
Honour and trust
Think more of the other
And less of ourself
When The Two Of Us Are One

Be patient and kind
As we grow in our love
Try to accept
The good with the bad
And we should never forget
To always give thanks
When The Two Of Us Are One

When The Two Of Us Are One
We should work out things together
We should lay our burdens down
At the foot of the Cross

When The Two Of Us Are One

As we come to Him in prayer
He'll supply our ev'ry need
Bless our home, give us peace of mind
When The Two Of Us Are One

(instrumental)

When The Two Of Us Are One
We should work out things together
We should lay our burdens down
At the foot of the Cross

As we stand before the Lord
Let us seek His grace and power
Bless our home, give us peace of mind
When The Two Of Us Are One

(sing the last line 4 times)
