

The Love Of Jesus

**Jesus, You're the Only One I see
You're the Only One for me
When I need a Friend
Your Love has no end**

**You build my spirit up
You fill my loving cup
for The Love Of Jesus
Flows ever so gently thru my veins**

**Jesus, You're the heart and soul of
me**

**Without You, Lord, I could never be
The man they see today
'Cause when You came my way**

**My problems disappear
With You, there is no fear
for The Love Of Jesus
Flows ever so gently thru my vein**
